## **Chairman's Message to Shareholders**

### **Dear Shareholder,**

As a Company, our vision is to create spaces that are aspirational and live beyond our lifetime; developments that set benchmarks for the Industry and enhance the entire ecosystem they operate in.

As we enter a new financial year, we at Trescon are humbled with the trust bestowed upon us. The past year was an eventful one in terms of overall economic reforms, not just for us but for the whole of corporate India. I am happy to be writing to you after the successful completion of year for Trescon. We strive to be the most ethical, most customer-centric, and highest caliber residential real estate developer in India.

I'm pleased to say that, we are making significant progress toward those goals. We've strengthened our capabilities in many critical areas of operations, we have bolstered our balance sheet through a timely equity raise and strong operating cash flows, and we have extended our competitive advantages.

As the real estate industry enters a new era of consolidation, there is renewed enthusiasm about our sector in the economy. We are at a crucial juncture where we believe that the time is right for developers of repute and credibility to lead the way. Together, these reforms are poised to increase investment into the sector, aiding growth of not just our industry but the overall economy as well.

As the quality of real estate projects in India has improved over past decade, customer expectations have also evolved. Consumers want and expect more from the developers, both in terms of design quality and service experience. At Trescon we know that our ability to drive customer value, in product and service will be the most significant determinant of your company's success.

Your Company is a strong believer in adaptability and has already been attuning itself to altering market sentiments. As a Company, our vision is to create spaces that are aspirational and live beyond our lifetime; developments that set benchmarks for the industry and enhance the entire ecosystem they operate in.

As always, I would like to thank you for continuing to repose your faith in our organisation and standing by us. With a sustained emphasis on quality control, execution, innovation and ethics, the future augurs well for your Company.

Wishing you all a successful year ahead!  
Best Wishes,

**Vilas Kharche**  
**Chairman & Whole time Director**

**STATEMENT SETTING OUT THE MATERIAL FACTS CONCERNING AND RELATING TO THE ORDINARY AND SPECIAL BUSINESS TO BE TRANSACTED AT THE MEETING PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013**

**ITEM No. 3:**

**RE-APPOINTMENT OF MR. MAHESH RAUT AS THE INDEPENDENT NON-EXECUTIVE DIRECTOR OF THE COMPANY.**

Mr. Mahesh Raut was appointed as an Independent Non- Executive Director of the Company by the members at the 19<sup>th</sup> Annual General Meeting of the Company held on 30<sup>th</sup> September, 2014 for a period of five consecutive year's upto 31<sup>st</sup> March, 2019.

As per Section 149(10) of the Act, an Independent Director shall hold office for a term of upto five consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a special resolution by the Company for another term of upto five consecutive years on the Board of a Company. Based on recommendation of Nomination and Remuneration Committee and in terms of the provisions of Sections 149, 150, 152 read with Schedule IV and any other applicable provisions of the Act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Mr. Mahesh Raut, being eligible for re-appointment as an Independent Director and offering himself for re-appointment, is proposed to be re-appointed as an Independent Director for second term of five consecutive years from 1st April, 2019 upto 31<sup>st</sup>March, 2024.

The Company has received declaration from him stating that he meets the criteria of Independence as prescribed under sub-section (6) of Section 149 of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. He has also given his consent to continue to act as Director of the Company, if so appointed by the members.

In the opinion of the Board, Mr. Mahesh Raut fulfils the conditions specified under Section 149 (6) of the Act, the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for his reappointment as an Independent Non-Executive Director of the Company and is independent of the management. Copy of the draft letter for appointment of Mr.Mahesh Raut as an Independent Non-Executive Director setting out terms and conditions would be available for inspection without any fee by the members at the Registered Office of the Company during normal business hours (9:00 am to 5:00 pm) on any working day, except Saturday, upto and including the date of AGM of the Company.

The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mr.Mahesh Raut as an Independent Director. Accordingly, the Board recommends passing of the Special Resolution in relation to re-appointment of Mr.Mahesh Raut as an Independent Director for another term of five consecutive years with effect from 1<sup>st</sup>April, 2019 to 31<sup>st</sup>March, 2024, for the approval by the shareholders of the Company.

Except Mr. Mahesh Raut, being an appointee and his relatives, none of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 3 of the accompanying Notice of the AGM. Mr. Mahesh Raut is not related to any Director of the Company.

**MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

**MACROECONOMIC OVERVIEW**

In its Asian Development Outlook 2019, Asian Development Bank projects India's GDP growth to rise to 7.2% in the year 2019 and reach 7.3% in the year 2020. India will remain one of the fastest growing major economies in the world this year given strong household spending and corporate fundamentals. India has a golden opportunity to cement recent economic gains by becoming more integrated in global value chains. The Country's young workforce, an improving business climate and a renewed focus on export expansion support this.

The volume of building activity will be huge, expanding the world's inventory of institutional-grade real estate. Global construction output is expected to almost double to US\$ 15 trillion by 2025, as compared to US\$ 8.7 trillion in 2012. Emerging markets are well positioned and will emerge fastest growing in the years to come.

By 2020, the 21st century's great migration to the cities will be well underway. Cities will be swelling across the fast-growing countries including India. Unprecedented shifts in population will drive changes in demand for real estate and cities will attract young middle classes, especially in emerging markets like India. Demographic shifts will affect demand for real estate fundamentally. The burgeoning middle-class urban population in India will need far more housing.

In India, real estate has played a large part in driving economic growth. Even as growth moderates in many emerging markets, the pace of construction activity remains rapid, increasing investment opportunities. Yet, growth is only part of the story. The rise of emerging economies is also increasing competition among real estate developers and the investment community.

**SECTOR OVERVIEW**

The real estate sector is one of the most globally recognised sectors. The real estate sector comprises four sub sectors - housing, retail, hospitality and commercial. The growth of this sector is well complemented by the growth of the corporate environment and the demand for office space as well as urban and semi-urban accommodations. The construction industry ranks third among the 14 major sectors in terms of direct, indirect and induced effects in all sectors of the economy.

The regulatory reforms witnessed in India's real-estate sector have brought drastic change in buying patterns amongst home and commercial property buyers. The sector has grown nearly 8% during FY 2019 even as financial pressures and fast changing dynamics of the industry have created turmoil in the real estate market. Post parliamentary elections there is an expected rise in demand and that will infuse more interest amongst buyers and have its positive impact on the overall real estate market in the country.

Though there are a lot of discussions around how well real estate will perform and create value, the strong foot-hold that the sector has created over many decades will continue to ensure its niche and the goodwill it brings with it. While demand for housing and commercial properties in some markets may have been subdued, properties those are good and at prime locations are worthy and of great value to buyers.

Increase in share of real estate in the GDP would be supported by increasing industrial activity, improving income level and urbanisation. Mumbai and Bengaluru have been rated as the top real investment destinations in Asia. The government also launched key policies for real estate sector, namely: Real Estate Regulatory Act, Benami Transactions Act, boost to affordable housing construction, Interest subsidy to home buyers, change in arbitration norms, service tax exemption, Dividend Distribution Tax (DDT) exemption, Goods and Service Tax and Demonetization.

Your Company is favorably positioned to benefit from recent regulatory changes affecting the Indian real estate industry, such as the introduction of the Real Estate (Regulation and Development) Act, 2016 ("RERA"), the implementation of comprehensive national Goods and Service Tax ("GST") regime, currency demonetization and the enactment of the Insolvency and Bankruptcy Code, 2016.

The government announced a big boost for affordable housing, which is expected to be the next big growth area. Under the Smart Cities program, a total of 100 cities will see the program positively impacting the lives of nearly 9.95 crore people with high-quality core infrastructure and a more sustainable quality of life. There have been some positive green shoots for realty in the last 2 years on the funding side and the regulatory side. Mutual funds have been allowed to invest in REITs (Real Estate Investment Trusts) and InvITs, (Infrastructure Investment Trusts) which will give investors securitized access to realty assets.

Industry experts are of the opinion that for the growth momentum to be sustained, liquidity issues owing to non-banking financing crisis and banks reduced lending to the sector needs to be addressed.

In order to prosper in real estate's new world, leading industry players, such as developers and the investment community need to make sure they have the right capabilities and qualities. Looking forward to 2020, it's the real estate developers and investors with the vision to anticipate emerging trends in the medium term and to prepare for them, which will be most successful. The winning developers of 2020 would have already started to shape their responses to some or all of the fast-evolving trends.

## **OPPORTUNITIES AND CHALLENGES**

### **Opportunities**

As India awaits policy reforms to pick up speed, your Company firmly believes that the demand for Real Estate in a country like India should remain strong in the medium to long term. Your Company's well accepted brand, contemporary architecture, well designed projects in strategic locations, strong balance sheet and stable financial performance even in testing times make it a preferred choice for customers and shareholders. Your company is ideally placed to further strengthen its development potential by acquiring new land parcels.

### **Challenges**

While the management of your Company is confident of creating and exploiting the opportunities, it also finds the following challenges:

- Unanticipated delays in project approvals
- Availability of trained labour force
- Increased cost of manpower
- Rising cost of construction
- Over regulated environment

## **COMPANY STRENGTHS**

Your Company continues to capitalise on the market opportunities by leveraging its key strengths. These include:

- Strong cash flows: Has built a business model that ensures continuous cash flows from their investment and development properties ensuring a steady cash flow even during the adverse business cycles.
- Significant leveraging opportunity: Follows conservative debt practice coupled with enough cash balance which provides a significant leveraging opportunity for further expansions
- Outsourcing: Operates an outsourcing model of appointing globally renowned architects / contractors that allows scalability and emphasises contemporary design and quality construction – a key factor of success.
- Transparency: Follows a strong culture of corporate governance and ensures transparency and high levels of business ethics.
- Highly qualified execution team: Employs experienced, capable and highly qualified design and project management teams who oversee and execute all aspects of project development.

## **HUMAN RESOURCES**

Employees are at the heart of your Company and the biggest differentiators. It's their inexorable commitment that helps your Company to create spaces that enhance quality of life. Keeping the spirits high at workplace needs a sound mental and physical fitness and deep-rooted culture which promotes work life balance.

## **FOCUS ON MUMBAI AND BEYOND**

Your Company continue to explore development opportunities in and around Mumbai and also explore hubs in the nearby regions on a case by case basis.

## **INTERNAL CONTROL SYSTEMS**

The Company has also focused on upgrading the IT infrastructure – both in terms of hardware and software. In addition to the existing ERP platform, the Company is presently reviewing the process documentation to ensure effectiveness of the controls in all the critical functional areas of the Company.

## **CAUTIONARY STATEMENT**

This report contains statements that may be 'forward looking' including, but without limitation, statements relating to the implementation of strategic initiatives and other statements relating to Company's future business developments and economic performance. While these forward-looking statements indicate our assessment and future expectations concerning the development of our business, a number of risks, uncertainties and other

unknown factors could cause actual developments and results to differ materially from our expectations. These factors include, but are not limited to, general market, macroeconomic, governmental and regulatory trends, movements in currency exchange and interest rates, competitive pressures, technological developments, changes in the financial conditions of third parties dealing with us, legislative developments and other key factors that could affect our business and financial performance. The Company undertakes no obligation to publicly revise any forward-looking statements to reflect future/likely events or circumstances.

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

### **Information other than the financial statements and auditors' report thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the Financial Statements and our auditors' report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Management's responsibility for the financial statements**

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds

and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them

all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on other legal and regulatory requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

## **Annexure - B to the Auditors' Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of TRESCON LIMITED (Formerly known as "Pushapanjali Floriculture Limited") ("the Company") as of 31 March 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The registered office is located at Unit No. 304, 3rd Floor, Neelkanth Corporate Park, Kirol Village, Vidyavihar (West), Mumbai -400 086 Mumbai 400086, India. The company is engaged in providing services in the areas of Information Technology and allied operations on its own or joint ventures with others.

### **Basis of preparation**

#### **(i) Compliance with Ind AS**

The company has prepared financial statements for the year ended March 31, 2019 in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act), Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act together with comparative period data as at and for the year ended March 31, 2018.

#### **(ii) Historical cost convention**

The financial statements have been prepared on a historical cost basis, except for the following:  
Certain financial assets and liabilities which are measured at fair value.

#### **(iii) Current versus non-current classification**

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and services and their realisation in cash Ancash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non - current classification of assets and liabilities.

### **b. Revenue Recognition**

Revenue from maintenance contracts is recognized on a pro-rata basis over the period of the contract. Revenue is recognized only when evidence of an arrangement is obtained and the other criteria to support revenue recognition are met, including the price is fixed or determinable, services have been rendered and collectability of the resulting receivables is reasonably assured. Revenue is reported net of discounts and indirect taxes.

### **c. Tax Expense**

The tax expense for the period comprises current tax and deferred income tax. Tax is recognized in the statement of income except to the extent it relates to items directly recognized in equity or in other comprehensive income.

#### **(i) Current Tax:**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

#### **(ii) Deferred Tax:**

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax assets are recognized to the extent it is probable that taxable profit will be available against which the deductible temporary difference and the carry forward of unused tax credit and unused tax losses, if any, can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

**(iii) Minimum Alternate Tax:**

MAT credit is recognised as an asset only when and to the extent there is convincing evidence that company will pay higher than the computed under MAT, during the period that MAT is permitted to be set off under the Income Tax Act, 1961.

**d. Impairment of assets**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

**e. Cash and cash equivalents**

For the purposes of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, in banks and other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to insignificant risk of change in value.

**f. Trade Receivables**

Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment, if any.

**g. Financial instruments****i) Financial Assets****A. Initial recognition and measurement**

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss transaction costs that are attributable to the acquisition of the financial asset. Purchase and sale of financial assets are recognized using trade date accounting.

**B. Subsequent measurement****a) Financial assets carried at amortized cost (AC)**

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**b) Financial assets at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**c) Financial assets at fair value through profit or loss (FVTPL)**

A financial asset which is not classified in any of the above categories are measured at FVTPL.

**C. Impairment of financial assets**

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in profit or loss.

**(ii) Financial liabilities****A. Initial recognition and measurement**

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

## B. Subsequent measurement

### (i) Trade and other payables:

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

### (ii) Loans and borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the Effective Interest Rate (EIR) amortisation process. Amortised cost is calculated by taking into account any discount premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to borrowings.

## h. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

## i. Property, plant and equipment

### (i) Recognition and measurement

Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures directly attributable to the acquisition of the asset. General and specific borrowing costs directly attributable to the construction of a qualifying asset, if any, are capitalized as part of the cost.

### (ii) Transition to Ind AS

On transition to Ind AS, the Company has decided to continue with the carrying value of all its property, plant and equipment recognised as at April 1, 2016 as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

### (iii) Depreciation

The Company depreciates property, plant and equipment on a Straight-line basis as per the useful lives prescribed under Schedule II of the Companies Act, 2013. The assets residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate and where appropriate.

## j. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

## k. Gratuity:

No provision for gratuity has been made as no employee has put in qualifying period of service entitlement of this benefit.

## l. Earnings per share

The basic earnings per share is computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings

per share and also the weighted average number of equity shares which would have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period unless they have been issued at a later date.

**m. Rounding of amounts**

All amounts disclosed in the financial statements and notes have been rounded off to nearest Rupees unless otherwise stated.

**CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY**

The preparation of the Company's financial statements requires management to make judgment, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as and when management becomes aware of changes and circumstances surrounding the estimates. Changes in the estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to financial statements.

Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed below:

- Recoverability of trade receivable
- Recognition and measurements of provision and contingencies: key assumption of the livelihood and magnitude of an outflow of resources.
- Impairments of Non-Financial Assets

**Note No: 24 Earnings per share (EPS)**

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the company by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the company by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

The following data reflects the inputs to calculation of basic and diluted EPS
